

Ian Lockett is a multi-talented professional with over 20 years' experience as a mentor, coach and business strategist. Over the years of working at various blue-chip companies holding a variety of senior positions, no one fits the profile better than Ian to help you grow your business, develop your network and unlock your hidden potential as an individual.

Ian's **PASSION and DEDICATION** towards helping others remain his strongest asset, with his main objective of working with organisations and individuals to help improved business performance, strengthening and developing their mindset all while designing their very own work-life balance.

Ian founded **INNOVATE TO SUCCESS** in 2016 with the main aim of helping businesses and corporate professionals achieve more each day, while increasing business performance, increasing productivity and reducing unhealthy stress.

After navigating corporate obstacles while developing his own career and business, he understands the pressures organisations and individuals are under in today's increasingly demanding business environment. He is therefore an ideal **EXPERT** to help, advise and support both parties.

As well as working with individuals, Ian advises and supports businesses in a strategic capacity when they are either experiencing growing pains or **ORGANISATIONAL CHANGE**. His structured and logical yet realistic approach ensures success and full stakeholder engagement.

Both his **DRIVE FOR BUSINESS** and **DRIVE Personal Business Development systems** features his own real life, tried and tested strategies for fast tracking your route to success. He uses this program, along with his genuine passion, dedication and energy to help others:

- Prepare Businesses for Growth
- Gain clarity around your Business and Personal Performance
- Reducing unhealthy stress.
- Improve your Work Life Balance

With over **20 YEARS' EXPERIENCE** of working within different capacities in business, Ian's most recent role was the **HEAD OF BUSINESS DEVELOPMENT** for UK Power Networks Services.

Ian has also held **SENIOR PROJECT MANAGEMENT** positions for Virgin Media and **COMMERCIAL BUSINESS PERFORMANCE** roles as a consultant for Anglian Water, Turner and Townsend, Morrison Utility Services and McNicholas Construction.

According to investment banker **Paul Armstrong**, *"Ian is currently coaching me through a career change and his coaching methods are straightforward yet effective. He has a great ability to break down complex situations and then rebuild them into a plan of action that leads to goal attainment."*

"Since working on the Mentored 60 day Success programme there have been huge changes in both my personal and business life. The system has been instrumental in helping me focus my energy and efforts on the task in hand. I am now more focused, more organised and have more control over my business and sales have increased" Says **Jo Wareham** – The Little Branding Company

MD of an IT Consultancy **Andy Johnson** adds: *"Since working with Ian and the Drive For Business System, it has just made my brain fizz with ideas. His key skill is helping me channel and organise these thoughts through his systems to simply help me put a plan to help my business succeed, which works!"*

Ian lives in Bedfordshire, has been happily married for over 20 years and has an amazing family, which is his "WHY".
